## Why study at Georgian?

- Our grads get jobs – Georgian has the highest graduate employment rate among all colleges in Ontario.
- Our graduate employment rate has exceeded the provincial average for more than a decade.
- Georgian ranked first in overall international student satisfaction among 11 Ontario colleges, and sixth globally among 182 institutions in the 2016 International Student Barometer Survey.
- We are known for cultivating strong partnerships with local and international employers, and for providing industry with highly skilled graduates to sustain and grow their operations.

## Why this program?

- Multidisciplinary setting
- Faculty with professional experience
- Integrated curriculum with a focus on applied practice

## Admission requirements

Applicants must have an advanced diploma (three-year), degree or equivalent.

Applicants who do not possess the above academic requirement may be considered upon submission of a resumé and reference letters which demonstrate relevant work experience.

## Other requirements

Students may be required to purchase or install computer hardware or software outside of standard program tuition/ ancillary fees. These requirements will be provided as part of the course-specific documentation upon enrolment.
