Ontario College Diploma  
Part-time ONLINE Delivery Schedule  
Summer 2024 intake**

**Graduation Requirements:**

**16 Mandatory Courses, 2 Communications Courses, 3 General Education Courses, 3 Optional Courses**

Welcome to the program! We have a sequencing of courses for you to follow. On the pages of this document you will find a course sequencing for students taking 3 courses per semester and for students taking 2 courses per semester.

If you feel that 1 course will be sufficient workload for you, connect with Jenny Wilcox to request a custom sequencing. [Jenny.wilcox@georgiancollege.ca](mailto:Jenny.wilcox@georgiancollege.ca)

**Part-time students:**

- can take a maximum of 3 courses in a semester
- can vary the number of courses they take every semester (1, 2, or 3 courses)
- can take one semester off per year.

Courses in this program are delivered through GC Flex and/or asynchronous online delivery. Courses that are GC Flex can be taken asynchronously or you can attend live virtual classes. We identify the delivery in the charts in this document (subject to change!). Tammy Burke-Marson will send you information on course selection prior to registration when more than one section of course is running so you can choose the online version.

**If you are transferring credits or using prior learning, connect with us to discuss your program pathway as you may not be able to follow the recommended sequencing.**
