

Research Analyst (RAPP) Ontario College Graduate Certificate

PART-TIME

Frequently Asked Questions

Do I need to apply?

Part-time students must apply to this program through ontariocolleges.ca
Use the code RAPX.

When can I start the program?

Intakes: September and January

How many courses do I take?

Full program details can be viewed on the [Program Outline](#).

Graduation requirements: 12 Program Courses, 1 Co-op Work Term

Are courses delivered in the evening? Online?

Part-time students enrolled in the Research Analyst Graduate Certificate take courses along with the full-time students. There are no courses specifically scheduled in the evening. Typically classes are scheduled during the day. Some courses are offered online.

To discuss taking courses online, connect with our program coordinator, Richard Rinaldo.

Richard.rinaldo@georgiancollege.ca

Are part-time students eligible for OSAP?

Part-time students MAY be eligible – this is individual and based usually on number of courses you take per semester. For more information, visit our [Financial Aid](#) page.

How do I know which courses to take?

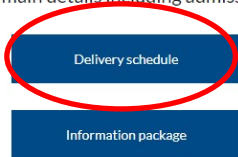

We have set a schedule up for you – review the [DELIVERY SCHEDULE](#) posted on the program page:

Study Research Analyst part-time

Ontario College Graduate Certificate

Learn from expert faculty and gain hands-on experience. Be ready for your exciting career in market, social or public policy research.

Please refer to the [Research Analyst program page](#) for all of the main details including admissions requirements.

The Delivery Schedule shows the order in which part-time students should take courses. This was set by the program coordinator and is highly recommended you follow the path to ensure you have courses to take each semester. If you have questions about which courses to take, connect with the program coordinator listed on the Delivery Schedule.

How long will it take to complete the certificate?

12 courses plus co-op work term

Fall intake

3 courses per semester

Under 2 years (1 year, 8 months)

Fall-Winter-Summer-Fall-Winter (includes co-op in final Winter semester)

2 courses per semester

2 years

Fall-Winter-Summer-Fall-Winter-Summer (includes co-op in final Summer semester)

What is the cost of the program?

There is no program fee when studying part-time. As a part-time student, you can take 1, 2 or 3 courses at a time in any given semester. Payment is per course, as you register. The course fees change year-to-year and course to course. The best source for accurate fees is to check the [Research Analyst](#) part-time program website:

Survey Design and Analysis

RAPP 1001

Course description

In a data-rich world, surveys remain a vital research method. Surveys target a specific population, focus concisely on topics of interest, and provide precise results. Students examine survey research and develop techniques for a variety of applied situations. Students implement the theory of sampling, questionnaire design, and data collection for a variety of decision-making situations.

Credits
3

Course Hours
42

Students registering for credit courses for the first time must declare a program at the point of registration. Declaring a program does not necessarily mean students must complete a program, individual courses may be taken for skill improvement and upgrading.

For more information, please [contact Continuing Education](#)

Available Courses

Unless stated, the course fee does NOT include the textbook(s). Not all courses have required textbooks. See [registration dates](#) for courses that are not yet open.
