Pursue your interests and develop skills for workplace success.

Community Integration Through Co-operative Education (CICE) is an inclusive and integrated postsecondary certificate program designed for learners who require additional academic support.

HOW TO PREPARE FOR COLLEGE

Academic and essential employability skills:

- check and reply to emails
- independently follow a schedule and keep appointments
- be able to learn in a classroom for 50 minutes
- follow verbal instructions
- prepare independently for tutor sessions outside of the classroom
- accept and respond appropriately to constructive feedback
- interact appropriately with others

Personal skills:

- communicate thoughts, feelings and needs
- understand and accept change
- practise good personal hygiene
- be respectful to self and others
- use free time effectively

ABOUT THE PROGRAM

CICE is an inclusive and integrated postsecondary certificate program completed over two years and designed for learners who require additional academic support.

The program helps students build greater confidence, independence, social skills and self-advocacy. Students develop and practise employability skills essential for the workplace.

Students are also integrated into classes of interest with students in other program areas.

Areas of study:

- culinary
- health sciences
- justice studies
- office administration
- business administration
- early childhood education
- electrical techniques
- communications
- and more

Experience

ACCELERATE
YOUR SUCCESS

FIELD PLACEMENT

CICE students complete three field placements (336 total hours) between semesters two to four.

Field placements provide real-world experiential learning opportunities for students.

ACADEMIC SUPPORTS

CICE learning facilitators support students academically by:

- attending integrated and core classes with students to provide in-class support
- providing individualized and customized accommodations and modifications
- tutoring students for their integrated classes each week
- facilitating weekly small group learning skills and adaptive technology support sessions
- providing academic guidance and referring students to appropriate resources

HOW TO APPLY

Applicants must be at least 19 years of age OR have an OSSD/OSSC. They must require academic support and be sufficiently independent.

Applicants can apply as early as the November before the intended year of study.

STEP 1:

Apply online at ontariocolleges.ca.

If you need assistance, there is contact information on the homepage. The **"Live Chat"** feature allows you to ask questions and receive answers quickly.

Select only the campus where you are interested in studying: Barrie, Orillia or Owen Sound.

Once Georgian receives your online application, an admissions package will be mailed to you. This package contains instructions on your next steps, including:

- the Advocate Reference Form
- booking the mandatory Program Admissions Interview
