Presentation: Student video

The board meeting opened with a video of Patrick Salvagna, a Social Service Worker student studying at the John Di Poce South Georgian Bay Campus. Patrick was living in Alberta and lost everything during the COVID-19 pandemic. He moved home to Ontario to care for his grandfather. That experience, combined with his lifelong passion for serving others, led him to Georgian. He was apprehensive as a mature student at first, unsure what to expect after years of being out of school. But the support he received at the college is helping him to realize his dreams. Patrick's interview is part of [Georgian's Being MORE student resilience video series](#).

Election of Officers

The Board of Governors held an election to determine the Board Chair and Vice Chairs for the period of Sept. 1, 2023, to Aug. 31, 2024. The following governors were elected to the positions noted:

- Chair – Mary-Anne Willsey
- Vice Chair – Kimberley Greenwood
- Vice Chair – Steven Lowe

Board Scorecard

The Board Scorecard is updated on a quarterly basis, as data becomes available. The scorecard supports the board's ability to simultaneously assess the performance of several areas of the college. The reporting timelines were revised for one metric, the reporting of two metrics with scheduled updates for April were deferred, and eight metrics in total were updated for the April scorecard.
