“Heritage Sport Tourism and Culture are a powerhouse that fuels a spectacular double bottom line.” — and this number still amazes me — our heritage, sport, tourism and culture industries achieve a combined economic imprint of an estimated \$71 billion,”

Heritage, Sport, Tourism, and Culture Industries Minister Lisa MacLeod

## MORE WAYS TO EXPLORE

I am sure the [ByWard Market](#) would love a shout out. They have closed some streets to allow more pa9os for the restaurants.

Also, [C'est Bon Cooking](#) offers gourmet food tours throughout the city.

[Escape Bicycle](#) tours offers tours on bike (you can do one which collaborates with C'est Bon, Bike n' Bites, a food tour by bike)

And our friend Glen at Haunted Walk!

Personally, would love a shout out to [The Meadows Golf Club](#) for a golf des9na9on.

Yes, the Gallery is open and currently offering free admission. (As of tomorrow, all 7 of Ottawa's national museums will be open- though not all free admission)
