ACADEMIC AND CAREER PREPARATION

Data Management for Degree Entrance

Meet admission requirements for Georgian College degree programs

Data Management for Degree Entrance is designed to give you the math foundation to thrive in postsecondary. Take this course on its own or along with English for Degree Entrance in our FREE upgrading program to meet admission requirements for many Georgian College degree programs.

This course will allow you to:

- learn at your own pace
- get one-on-one time with faculty
- meet the math requirement for most Georgian College degree programs
- develop the skills and confidence to succeed in degree-level programs

This course is available to individuals 18 years of age or older who meet the eligibility requirements.
